Exceptional schooner OCEAN 60  
Schooner completely refurbished in 2021 by professional (Invoices available), polyester hull very well maintained, no osmosis (exit to the shipyard every year for cleaning and antifouling)  
Interior built entirely in wood and made to measure, all the documentation and construction plans of the boat are on board.  
Equipped for long trips, perfect for offshore sailing or as a second home.  
Possibility of taking over the place at the port. France Cannes
